

University

UK's HR/Employment coordinates advertising for positions at no cost to the department, providing opportunities to increase applicant traffic. After a position is posted on the UK Jobs site, it is pulled to the sites below.

- InsideHigherEd.com
- HigherEdJobs.com
- LinkedIn.com
- Indeed.com

College

The College's HR Team manages position advertising to help maximize applicant reach. Once a role is posted on the UK Jobs site, it is then also shared on the [College Jobs site](#), which receives approximately 10,000 views per month, as well as the additional platforms on LinkedIn listed below.
